## VOLUNTEER EXPERIENCE

I participated in a Korea-based student organization known as "Hwarang," where I undertook a volunteer role teaching English to fellow members and established an English Club. In this capacity, I delivered over eight presentations on various topics, each designed to introduce new vocabulary and reinforce grammatical concepts.

## PROFILE

I am a **Ukrainian immigrant** who relocated to the United States in 2022. One of my distinctive abilities is my **fluency in three languages**. In a similar vein, I possess a profound enthusiasm for the multifaceted skills involved in **video game development**. I am **continually refining my expertise** in programming and concept art, while also deriving inspiration from a wide array of cultural and experiential perspectives. This **versatility** allows me to adapt effectively when collaborating with individuals from diverse backgrounds.
